

## Powerful thoughts that emphasize the value of life insurance

It's always better to have life insurance and not need it, than to need it and not have it.

Life insurance - it helps you and your family achieve real peace of mind.

Only life insurance can guarantee you a tax-free family legacy.

Nothing will amplify your investment like life insurance.

What if today is the day you don't come home?

Life insurance puts belief in your words of love.

No one ever dies at the right time.

Tomorrow is never promised.

There is always risk.

Plan ahead.

**A simple rule of thumb for determining how much life insurance you should have is to multiple your annual income 8 - 10 times.**

**Income \$ \_\_\_\_\_ x 8 = \$ \_\_\_\_\_ Adequate coverage**

**Is your family's financial future secured with adequate life insurance coverage?
